

Custom Packaging and ordering from the leader in customer service to your classroom

Let Capstone Classroom do the work for you! Let our experienced account representatives or our former classroom teachers build your custom package for you.

Why Choose Capstone Classroom for your book purchase?

- The leader in creating content reading for your classroom.
- Curriculum experts on staff and ready to match our content with your curriculum needs.
- Experience in listening to customer needs, and creating an ordering experience that exceeds expectations.
- Ready-to-go packaging created with the classroom needs in mind, and custom packaging available
 - Bookroom packaging
- Durable zip bags
- Labeling
- Boxes labeled and ready for your bookroom shelves
 - Classroom packaging
- Our packages ship in durable classroom display boxes
- Custom packaging available based on your needs
- Easy, hassle-free ordering
 - Once we know what your needs are we will create an official quote for you. To place the order, all your purchasing department has to do is attach a PO to that Quote number and send or call it in. It's that easy! No need to enter lines of data information.
- Custom shipping
 - We can ship large orders directly to your schools
 - We can ship large custom orders for each teacher
 - Custom labels on each shipping box for ease of implementation
 - Have a special circumstance?
Let us know, we can do the work for you.
- Always Free Shipping-

"Capstone Classroom has the best books, AND they customized the entire process based on our district needs. We couldn't have implemented our district wide social studies adoption without their expertise."

"Hands down the best customer service. Period."
